

RE | **Master's program**, National University of Ukraine on Physical Education and Sport

9th February 2021

To whom it may concern,

This letter is to confirm that the following programme has been reviewed in 2020 and found to meet the WFOT Minimum Standards for the Education of Occupational Therapists 2016 and is therefore considered WFOT approved:

Master's program, National University of Ukraine on Physical Education and Sport

This programme is next due for review in 2025.

Kind regards,

Ritchard Ledgerd
Executive Director
World Federation of Occupational Therapists
